

Enrollment Requirements

Cornerstone Cooperative Preschool (CCP) is a half-day preschool. We are open Monday through Friday from 9 am to 12 noon and follow the school year calendar for the Denton Independent School District (Denton ISD), including school holidays and severe weather days. We start classes one week after the Denton ISD begins.

CCP is open to all children of the community whose parents seek this kind of cooperative preschool experience. Below are the requirements that each child must meet in order to be enrolled at CCP.

Health & Immunizations

Each child enrolled at CCP must meet applicable immunization requirements specified by the Texas Department of Health; a current copy of each child's immunization record must be on file by the first date of attendance, or a notarized exemption from the state. A Health Rules Form must be signed and kept on file; a letter by the child's pediatrician stating that they are in good health and free of communicable diseases must also be submitted to CCP. Denton County does not require TB tests.

First-time enrollees, who are 4 years of age or older by Sept. 1, must be screened for possible vision and/or hearing problems within 120 calendar days of enrollment, or present evidence of screening conducted one year prior to enrollment. CCP must have a copy of the screening in each child's file.
